I saw him afterwards that day passing along
On the next day Friday after breakfast awhile I
saw him coming from towards James Mellton's &
going towards home. I again saw him going
back towards James Mellton's. he was on the Stony
fork road. before the turning off place to the Bates
place — this was on Friday also — I saw him again
on the same day, about sun down going in the same
direction. A quarter an hour after he passed
this last time, I got a horse & went to James —
Mellton's — Dula was not there, Ann Mellton was.
I stayed there until midnight
Cross Examined. A person passing on horse could
go to either James Mellton's,
or to the Bates place.
Dr Carter testified About the last of March
or first of April last the prisoner applied to me
for medicine treatment. He had the Siphilis —
told me he caught it from Laura Foster,
The latter part of August or first of September
upon a ridge in 1/2 or 3/4 of a mile of Lotty Foster's
house in Wilkes County — I saw. I saw and examined
the dead body of a female, at the spot where
it was found There was a place cut
through her clothes & taking off the clothes in a
corresponding position on the left breast there
was a cut through into the body between the 3rd
