it was made up - it was woven with a single slay
Cross Examined, I hadent seen Laura Foster since
the first of March - it was nearly 3 month between that
time and the discovery of the body. The heels of the shoes
on the corpse were worn and pieced - there was a hole in
one of the shoes, side of the toe. Tooth was not out, but
there was a natural space, right in the centre of the
mouth.

Dula came to James Melton's on Thursday before the Friday
of Laura's disappearance before breakfast, and left
without breakfast. This was the time he got the clean
& canteen. Ann Melton remarked when she went off on
that Thursday with the canteen, that she was going
to her mothers - She didn't come back until Friday
morning early - She was home all day Friday
Dula came there but one time that day I didn't
go off the place that day.

Nelson Foster, Thomas Foster, William Holder, & Washington
Anderson were there at James Melton's on that Friday
night. We were all joking that night. Thomas
Foster burned the old man's (Wilson Foster) whiskers
Thomas Foster did not sleep with me that night I got in
bed with Ann Melton

I admit I have the venereal disease. I got it
in Watauga County. & came to James Melton's to get
cured & worked with him for money to buy
medicine Ann Melton is a distant relative of
