Miss Jane Ponder Grass on her oath made the following
Deposition:

Question by petitioner — About two years ago
while I was working about 2 miles from Chapel
Hill, did you ever see any man take any
liberty with my wife. — Answer — I saw a certain
man in bed with Mary Partin, the wife of
Green S. Partin, about two years ago while I was
living in the same house — a man came in after
night, made same proposition to Mrs Partin, who
went in the next room to bed — the man came
to the fire place, covered the fire, blew out the
candle, and afterwards went to bed with Mrs.
Partin — He remained in bed about one hour, and
left the house. — I saw the same man and Mrs.
Partin together three times in the same house, but
not under the same circumstances — although I heard
Mrs. Partin say "let me get up" and told the
man to get up also. — Further this deponent saith
not — Sworn to and subscribed before us this
12th of Dec. 1835.
