To the Honorable the Senate and House of commons of the General assembly of the State of North Carolina:

We the subscribers residents of Plymouth NC do hereby assure your Honorable bodies, that we are acquainted with Mrs Sarah Ann Kuth whose petition is hereunto annexed: that she of fair and spotless character, of good connexions and respectable standing; that we know that many of the facts stated in her petition to be true, and the rest we believe to be true; especially do we know that her husband has been absent from her for many years; that she has two small children, and that she has little or no property or income, perhaps none other than what she sets forth in her petition, and that she is in very adverse circumstances.
