Warren County N.C.

Some years ago Charles R Turner lived with me as an overseer his wife sustained an excellent character and their daughters (amongst whom was Lucy R Turner) were in good standing and much respected for industry and virtuous deportment. At some time whilst C R Turner was in my employment John I Hendrick was married to Lucy R and they lived together for some months, and I think without any fault on the part of Lucy R his wife. They separated, during the time they lived together, & since, as far as I know Mrs L R Hendrick has sustained her former good standing
