Killing of his wife — my wife had a light
gall and went over and asked what was
the Matter Thampson said that his wife
had the Night Mare — I See Mrs Thampson
the next Morning and See the wounds that
was
" On her Neck Made by his finger Nails
in Choaking of her which was to be Seen
for Several days and the Scars are to be Seen
yet on the fourth day of Novr last
Thampson Came in to my house appearantly
Much Exasperated I asked his what was the
Matter he told me that he was an
Indipandant Man. he had No body
to support that he Cared a Damn for
I Cited him to his Children — he then
left my house in a Rage of anger
and in a few Minuts he brought all of
his things out of the House and ordered
his wife to gave him Every thing that
he Ever gave her he Even Made her
Strip to her Skin and took them from
the House — with the Most infimous abuse
to his wife —

The Next day I See Thampson and
he Requested me to try and Make friends
between him and his wife
