& if it was told she would know where it came from as but four had heard it -

(The Prisoner excepted)

Cross Examination, Pauline said, It is the The truth, & you are as deep in the mud as I am in the mire," Ann replied, "you are a liar!"

Ann threw up to Pauline having a disease, Pauline replied, "yes, we all have it!" I have seen Pauline sitting in Dula's lap often, and whispering together, Ann was always present on these occasions, I remember that Pauline & Dula came to my house together once, I have seen Ann Melton also set in Dula's lap.

Washington Anderson, testified I was at James Melton's on Thursday night before the Friday Laura Foster disappeared, James Melton Jonathan Gilbert & Pauline Foster were there, Mrs Ann Melton was not there, I stayed about two hours, I went by there next morning Ann Melton was then on the bed sick - her shoes were wet; dress not observed - the folks were eating breakfast,

Cross Examined, The shoes were women shoes, were by the bed, couldn't swear
