[illegible] Milton. The State

[illegible] Admissions &c of Ann

Milton. This testimony was objected to by the

prisoner - but the Court being of Opinion that

the evidence State alone & which was testified to by

various witnesses was true and that it established

an agreement overruled the objection. - The Court

instructed the jury that the evidence offered to

the Court of the acts &c of Ann Milton were

admitted by the Court for its information as to

whether there was an agreement between her and

this prisoner to commit the homicide - but that

this Opinion of the Court was to have no ~~Opinion~~

weight with them when they come to decide

upon this prisoners guilt or innocence upon all

the evidence - Prisoner excepts - Various declar=

ations of Ann Milton previous to the alleged

murder threatening vengeance against Laura Foster

were proved.
